

OUR FACILITIES

TENNIS

The Polo Tennis & Fitness Club has Austin's only Plexi-cushion Prestige tennis courts providing an orthopaedic-friendly playing experience. The subsurface cushioning system reduces stress on joints allowing for longer play with less fatigue.

All 10 courts have low profile lighting & covered cabanas. Escape the heat under our beautiful Pavilion with a large screen television and bar area.

We offer international level coaching for the aspiring junior athlete with a strong emphasis on the developmental process. Discover all of the adult and junior tennis programs we offer members.

PICKLEBALL

With the addition of 3 brand-new, dedicated pickleball courts, members and guests can enjoy the fastest-growing sport in America against the backdrop of the Texas Hill Country. All three courts are lighted for night play and feature a freshly resurfaced, eye-catching blue colorway.

PADEL

Our Austin, Texas Padel club features 3 of America's newest and the most technologically advanced, aluminum Padel courts constructed by All Racquet Sports USA. The courts feature aluminum exclusive profiles, 10mm toughened glass, LED lighting, AFP Turf monofibre, and are the first of their kind to be constructed in the United States..
